Declaration of origin of farmyard manure for the following fertilizer/s:

Exact name/s of the product/s

The farmyard manure originates solely from the following animal species (specify husbandry system / production method, e.g. cattle under 6 months; laying hens; piglets; fattening pigs)

Animal species Husbandry system / Production method

Horse

Bovine

Pig

Sheep

Goat

Poultry

When using farmyard manure from horses, bovines, pigs, sheep, goats and/or poultry:

The farmyard manure is deriving solely from farms (or farm cooperatives) with a total stocking rate less than 2.5 livestock units/ha.

Yes No

When using farmyard manure from pigs:

The manure is originating solely from pig keepings according to Art. 11, 1¹ of Regulation (EC) No. 889/2008 (max. 50 % slatted floor).

Yes No

When using farmyard manure from poultry:

The manure is originating solely from poultry keepings according to Art. 12, 1² of Regulation (EC) No. 889/2008 (no keeping in cages).

Yes No

¹ Art. 11,1 of Regulation (EC) No. 889/2008: Livestock housing shall have smooth, but not slippery floors. At least half of the indoor surface area as specified in Annex III shall be solid, that is, not of slatted or of grid construction.

² Art. 12,1 of Regulation (EC) No. 889/2008: poultry shall not be kept in cages.

Declaration of origin of farmyard manure

We hereby declare that the farmyard manure used for the processing of the above named fertilizer/s is fulfilling the above mentioned criteria.

This assurance statement is valid until revoked.

The sender affirms that his information is accurate and that he is committed to inform FiBL Projekte GmbH about every change immediately. If the sender becomes aware of circumstances which indicate that the affirmation in this period is not adhered to, he is committed to inform FiBL Projekte GmbH about the circumstances that make it possible that the information given here has become inaccurate.

In the case of electronic transmission of the data, this declaration is valid without signature. The sending of the data is considered as confirmation and assurance that this form has been filled in correctly and completely.
