### Application for

Please tick for which service/s you would like to make this application (please refer to our [scale of fees](#)).

- ☒ Evaluation for compliance with criteria of European Input List (and the standard of Demeter International) (always included)
- ☒ Evaluation for compliance with German legislation applicable to the product category and German association standards (Biokreis, Bioland, Demeter, ECOVIN, Gää, Naturland)
- ☒ Evaluation for compliance with Spanish legislation applicable to the product category and Spanish association standard (Demeter España)

Note: A positive evaluation leads to the inclusion in the corresponding Input List until December, 31st of the following year.

### Confirmation of the applicant

In the case of electronic data transmission, this declaration is valid without a signature. The sending of the data is regarded as confirmation and assurance that the form has been filled in correctly and completely and as assurance that the recipe of the above named further tradename is identical to the recipe that was handed in with the registration of \_\_\_\_\_. All confirmations and assurances that were given within the registration process of the tradename \_\_\_\_\_, are also given for the further tradename \_\_\_\_\_. The transmission of this form is regarded as release for editing and publication.

Our [General Terms and Conditions](#) apply exclusively. Any contract concluded at an earlier date for the assessment of products for the purpose of inclusion in the list of inputs for organic production shall be invalid.
