Scale of fees for the evaluation of products for registration in the Input list

(4)	Listing / Publication on German information website "biologisch gärtnern" (organic gardening)	- exclusively	100.--	per product
		- in addition to listing in the Input list	50.--	per product
(5)	Invoicing Additional expense for special requests		25,--	per invoice

To (1) First Evaluation

The fee does not depend on the results of the evaluation and is therefore regardless of any publications mentioned under (2) / (3) / (4). If a product should be listed in different main categories (e.g. fertilizers and cleaning agents), a separate product application form for each main category must be submitted. The fee (1) first evaluation will be charged.

To (2) Listing / Publication – annual costs

In case of application during listing year, the annual fee is charged proportionally.

To (3.1) Quantity discount

If more than 15 products are registered by the same applicant, a quantity discount is granted. The listing fee according to (2) / (3) is reduced for the 16th product and each more.

To (3.2) Multiple listing

In case a product is listed in several sub-categories (e.g. 1-5 liquid fertilizers and 1-8 foliar and trace element fertilizers), then charging for each additional category is made according to (3.2). If a product is to be listed in different main categories (e.g. fertilizers and cleaning agents), charges (1) first evaluation will be levied.

To (3.3) Product listing under different trade names

If a company wants to list an already registered product additionally under a further trade name in a comparable category, costs according to (3.3) will be charged for each further trade name. In case of application in another main category, a separate product application form is required. The costs (1) first evaluation will be charged.

To (3.4) Surcharge for non-compliance with deadlines

In case of non-compliance with determined deadlines, an additional expense will be charged according to (3.4).

To (4) Publication on "biologisch gärtnern" (organic gardening)

Products can be registered additionally or exclusively for listing in the information web offer for hobby gardeners www.biologischgaertnern.de. In both cases, the first evaluation according to (1) is required for listing.

To (5) Invoicing – extra effort

The invoicing of the annual listing fee for all products registered by a company will be drawn up usually in one invoice. In case the customer requests a different line-up (e.g. different invoice recipients per category), a fee according to (5) will be due.

All amounts stated are exclusive of value added tax (VAT).

Payment terms: 14 days upon date of invoice.

You will be informed about modifications on the scale of fee by e-mail.
